Innovation Happens Here

29th Sept - 1st Oct
Stand: FF30

The first of two shows we will be attending this year is **The Advanced Materials Show** in **Coventry** on **8th & 9th July**.

The Advanced Materials Show provides a truly unique, free-to-attend exhibition and conference that brings together a highly focused audience, all involved in the research, production, purchasing or integration of advanced materials technology.

If you're attending the event, be sure to pop over to **Stand A1127** to talk through your requirements with us.

The second exhibition we will be attending is **Interplas** at the **NEC Birmingham** from **29th Sept - 1st Oct**.

For over 60 years, **Interplas** has been the UK's No.1 Plastics show, bringing together over 500 exhibiting companies to present solutions, products, machines and ideas to the UK manufacturing industry

We will be on **Stand FF30** and are looking forward to talking through your material requirements.

We are extremely proud to be able to add Manufacturing to our existing **ISO 9001:2015** accreditation.
